# about our COURTS

The judicial reform now under way in Illinois will apparently have little immediate effect upon the residents of Wood Hill.

Court will still be held in Monee and the former Justice of the Peace, Judge James Adams has now been appointed a Magistrate of the Circuit Court and will most likely hear actions involving those living in Wood Hill.

He (as other Magistrates) will serve until their elected terms expire. It has been generally agreed that claims under \$200 will be filed in magistrates courts. Quasi-criminal and crim-

Judge James Adams as he leads a discussion group at the Monee PTA last year.

inal cases will be filed with the Circuit Clerk who in turn will "assign" the cases to the various magistrates. Joliet will be the scene of all jury trials.

The Will County Circuit Court is in the 12th Circuit. Two other circuits are larger, Cook County and Lake County. Chief Circuit Judge is David E. Oram of Watseka.

On Dec. 28th the Fire Dept. and Auxilliary had their Christmas Party at Cliff's in Monee. Mrs. Delbert Jennings, President of the Auxilliary presented James Burt, Asst's Fire Chief with a scroll stating \$500.00 was to be given to the Wood Hill Fire Dept for equipment.

The Ladies are planning a bake sale February 22nd, so keep that date open. It will be announced later where and what time. Start thinking about all the homemade goodies and then satisfy your appetite and give the gals a hand, and the Fire Dept. will be richer for it.

It'll be "yoicks", "tally-ho" and all that jazz when the Fire Department sponsors a fox drive on February 16. The drive is to start from the Fire Barn at 10 am. There will be refreshments.

The Sands has reopened. The hours are from 4:00 to 1:00 except Saturdays when they open at 3:00. Plans include further re-decorating and food (Italian plus steaks).

The Enco Station on the corner of Western and Exchange has finally made it. The biggest delay

was caused by water trouble. It seems that a bull dozer (not knowing any better) took out the old well that was on the property. Water is now piped across the street from Wood Hill.

It just doesn't pay to be the husband of an Auxilliary member. The gals invited the guys to their Christmas Party. The gals not only didn't pay for the party out of their hard earned money, they didn't even go "dutch". The guys got clobbered for the whole bit. All the guys got out of the party was a date with their best gals, a good time and \$500 for equipment. Come to think of it, that ain't such a bad deal.

And, a reminder. With Lent just around the corner with its meatless meals, Adolph Imola, 814 Union Drive, owns Martin's Fish Market in Chicago Heights.

The babies we're introducing this month have two things in common. They are all boys and all live on Union Drive.

Mr. and Mrs. Alan Miller, 917 Union Drive are the proud parents of Rick Gregory. Rick was born October 13, in St. James Hospital. He weighed 7 pounds 3 ounces. Rick was welcomed home by his brother David Alan, a dog and a little pussy cat.

Mr. and Mrs. James Geil brought their third son, Mark Anthony, to 922 Union Drive. He was born December 4, in St. Francis Hospital. He weighed 9 pounds 5 ounces. That's pretty hefty considering his mother weighs 95 pounds. Mark came home to two brothers, Kevin and Douglas and a dog named Caesar. Oh yes, Mrs. Geil has heard all the Mark Anthony and Caesar jokes.

Thanksgiving Day, normally would be the time for the Richard DiGrazias to think of a 7 pound 5 ounce turkey. Dale Travis fowled that up by deciding to steal the spot light. He was born Thanksgiving Day, November 28, in St. James Hospital. He was a plump 7 pounds, 5 ounces with dandy drumsticks. Dale lives at 806 Union Drive. Dale may have been first on Thanksgiving, but he is the second DiGrazia to be born in Wood Hill. His brothers are Richard, Timothy and Jamie (the first Wood Hiller) and no dog.

There will be no monthly council meeting for February, but a general meeting has been called for all of the Altar and Rosary Society to be held at church Feb. 10th, Monday, at 8:30 PM.

The church year seems to be moving fast. Feb. 12th will be Ash Wednesday, the beginning of Lent. Services will be held at 7:30 PM on Ash Wednesday and every Wednesday evening during Lent. We just finished with Christmas and already Easter is just around the corner.

Plans are being made for the annual Crown and Scepter Ball. This is to be in the early part of April, shortly after Easter. Details will be announced later.

Wood Hill HERALD, January 1964=Page 6=

Although Charles Grigg did not live in Wood Hill, his influence was felt by every family with a Jr. High School student. Mr. Grigg was Principal of the Hubbard Trail Jr. High. He had been in our community less than six months, but in that time he earned the respect and admiration of his students, faculty, and parents he worked with. No greater tribute could have been given than the one by a student, "Mr. Grigg was fair".

There were two fire calls answered by the Wood Hill Department in January to date--

There was a car fire on January 11. The car, a '58 Chev was found on Exchange, west of Monee. It was completely destroyed.

And on January 21 an alarm at 2:45 a.m. told of a fire in the barn next to the fire barn. It too, was destroyed.
